

EDSIGCON & CONISAR 2017

2 great conferences to reach IS and CS educators and researchers

Sponsors & Exhibitors Information

Be a part of two conferences (EDSIGCON & CONISAR) for higher education faculty, academic professionals and researchers in Information Systems, Computer Science and Information Technology. In one trip, your organization can reach over 150 top IS/CS/IT educators and their institutions to showcase your latest instructional products and services.

EDSIGCON

Information Systems & Computing Education

Topics include model curriculum, outcomes assessment, distance education challenges, capstone and service learning projects and security, and information system research toward educators.

CONISAR

Information Systems Applied Research

Topics include analytics, business intelligence, cyber security, big data management, cloud and virtualization, IS strategy, and web technologies.

Both EDSIGCON & CONISAR will be held November 5-8, 2017 in Austin, Texas at the Hilton Garden Inn, Downtown/Convention Center.

See <http://www.edsigcon.org> or <http://www.conisar.org> for more details

Exhibitor Details

Exhibitor fees (see form) include one 6' table, electrical outlet, wireless Internet, and promotion in the program and on the conference websites. In addition, two attendees receive admission to all food/beverage events. Exhibitor tables will be available for two full days of the conference (November 6th and 7th).

Sponsor Details

Sponsorship fees (see form) include all the exhibitor benefits (exhibitor table and food/beverage for two attendees) plus a 25-minute presentation that is part of the conference program, increase promotion in the conference program and on the conference websites, and both signage and special recognition at the sponsored event.
